roz's mission news CHINA

DEAR FRIENDS & PRAYER WARRIORS,

Our trip to China was amazing!

The photo on the left is the two of us with a Muslim gal from Indonesia on holiday in Hong Kong. She was there along with several thousand other Indonesians all congregated in the Kowloon area of Hong Kong for a festival/demonstration. We shared a Jesus DVD with her and she shyly accepted our gift.

THANK YOU FOR YOUR PRAYER COVER. Gary and I would like to personally thank you for your prayers. We have literally been in the enemy's territory piercing the darkness and he was not a happy camper. We had several mishaps during the trip; one of them being that my luggage was lost for 10 days! Praise God it was finally recovered and all items

were still inside and undamaged. Did I mention the suitcase itself was twisted into a pretzel? LOL! Must be a story there...

China's new generation (University Students) do not believe in anything, they say; "Buddha is for the older generation." The enemy would like them to continue in that thought pattern keeping them lost (bound for destruction) for Eternity. You and I can do something about that...tell them about the Good News of Jesus Christ. He has a plan and purpose for their life!

CONNECTING

- We have a new friend that we spent a lot of time with while we were in the Capital City, Beijing, China. Her name is Bing. Please keep her in your prayers. Bing is a Christian and she would like to start a school in her home village teaching English as well as sharing the *Good News* of Jesus Christ. She is a precious sister in Christ and we would love to have her come to America and meet all of you. She attends a house church (underground church) in Beijing and her Pastor is a fiery preacher filled with the Holy Spirit.
- We had a special time meeting for dinner with ministry leader/friends in Hong Kong. We laughed, ate and encouraged one another with mission field stories and the love of the LORD. It's so good when brethren dwell together in unity. (Psalm 133)

TRAVELS

We traveled many times on this trip because it was just the two of us and we were celebrating our 32nd wedding anniversary. We will both honestly tell you it's one trip that was unforgettable.

Gary was evangelizing at the pool of our hotel in Singapore! He knows that the gal he spoke with will never be the same. She had tears in her eyes as Gary spoke the Word of God to her and told her how much God loves her and has a plan for her life. He shared many scriptures with her and told her the story about Nicodemus, in John chapter 3. The pool itself was on the top of the hotel 57 stories up with a birds-eye view of the modern architecture below on the waterfront...fascinating.

You really never know how or where God will use you to speak to someone until you get out there and let Him guide you!

Beijing is the capital city of China and is incredible with its ancient history and rich culture. On the right is the 'Great Wall' of China. It is spectacular and we had the privilege of climbing a portion of it. Tears were in our eyes as we experienced the vastness of it and it's winding throughout the mountains. WOW! The Chinese consider it a type of pilgrimage to climb the great wall.

THEY HAVE A SAYING; "YOU ARE NOT REALLY CHINESE UNTIL YOU HAVE CLIMBED THE GREAT WALL."

We would like to thank all of you who prayed for the trip and for your financial donations. Your prayers were sensed every step of the way. As teams continue to courier Bibles across the border they need our prayer cover. The enemy knows whose feet bring the Good News.

How beautiful are the feet of those who bring good news... Romans 10:15
